Letter from the President

The year 2013 is past. It was a year of turmoil and stress in many ways. It was also a year of many successful and enjoyable times for our club. So now the new year is our to make it either a successful year or a stressful one.

As your new president, I hope it will be one of growth and success for us all.

I believe I was elected president because I was new and not part of any "inside group". I enjoy the meetings and have learned a lot. That is what I want to have all of us experience this year.

It is time to come together for all of us to be proud to be a member of Northeastern Maryland Kennel Club and to assume our responsibilities and support each other. If we have differences, bring them to the Board. We will have discussion and decide by majority vote. Even though we may disagree, we WILL NOT BE DISAGREEABLE!

I look forward to this year, being one of growth in members, exciting new Dog Shows in a nice venue, successful health clinics, a fun picnic for our families, Show-N-Go and many more endeavors to help make pet ownership fun for all.

Have a blessed New Year and join me is making 2014 a good and productive year for NEMKC!!

Sincerely,

Debbie Heydt
President

AKC Reunite Pet Disaster Relief Trailer Project - Update

Help Us Roll Out Help

If a potentially catastrophic storm is approaching or there is a hazmat emergency, pet owners will be asked to leave their homes with little or no notice. Split-second decisions are made on what is most important to take with them: maybe their photos, but definitely their family and pets. What plans are in place to accommodate our pets in these situations?
Or without warning, a tornado, earthquake or explosion happens and animals seen wandering and lost after disasters are not strays or abandoned, they are our pets. They are lost, scared, possibly injured and in need of help. What will happen to our displaced animal companions?

Thankfully, regardless of the size or budget of a community, laws now require our local municipalities to prepare and care for its citizens and their pets in the event of a disaster. AKC Pet Disaster Relief offers local Emergency Management an opportunity to be better prepared and potential save lives of its citizens and their pets.

Back in September I attended the AKC Delegates Meeting and sat through a pitch on what we now know as the AKC Pet Disaster Relief Trailer Project. I brought this initiative to the NEMKC Board of Directors in September and they were supportive in investigating the probability of working with both Cecil and Harford Counties. It was quickly determined that both counties had a huge need and a desire to work with NEMKC to find the money to allow them to have this precious resource.

Unless you have missed a couple meetings or do not usually read the NEMKC Yahoo Group I am sure that you have already heard about the AKC Reunite Disaster Relief Trailer Project so I'll spare you a ton of details. Today we have commitments from both Harford and Cecil Counties to order their own trailer which will be chocked full of essential nonperishables to assist citizens and their pets in the event of a local disaster.

A substantial amount of the funding, demonstrating their urgent need will be provided by both Harford and Cecil Counties along with monies coming from our Club donations. As we stand right now we should have David Craig's, signature, the final step for Harford County this week. It was supposed to happen on Friday but Mother Nature kept the Emergency Management officials preoccupied with keeping us safe during this last storm. In Cecil County they already have their County Executive's signature but we are working through some late minute procurement details and a completed checklist which is expected shortly as well. It is all good!

It will take a couple months for these trailers to arrive on site in both Harford and Cecil Counties. The plan is for a big photo op and some nice press coverage. You will be pleased to know that NEMKC will have a logo prominently affixed to both sides of these trailers. So, wherever these resources are deployed as members you can be pleased and proud to know that NEMKC has played a role and is recognized as giving back to our communities. It doesn't get much better than that.

I would also like to thank everyone for their donations; interest and support in making this project a reality. I want to recognize Ann Schultz who has been a partner in all of the meetings and events we have had to date with both counties. It is amazing to see how just how many people Ann Schultz

(Continued on page 4)

The Brag Box! *(Please be sure to email all brags to Dawn at phoenixrottweilers@yahoo.com)*

- From MaryLou Olszewski: I entered the Photo Contest at the American Bloodhound Club's National Specialty. "AJ" Ch. Olbay Mason Union Jack Terminator, CGC, MT took Grand Prize and I got to spend the $50 prize in our Boutique. Yea! The 2013 National was in Topeka KS and the theme was centered around the Wizard of Oz. So with that background you can see why his picture was a big hit. "Aj" would also like everyone to know that his picture was chosen at the Jacksonville Veterinary Hospital in Phoenix, MD for their annual calendar contest. His picture represents the month of September. So we have been calling him Mr. September. He's such a ham. If anyone is interested, calendars are available for $12.

- From Ann Schultz: "Ducky" McMagic's All Her Ducks In A Row (Samoyed) showed at the Old Line State Dog Club's UKC show at the Heavenly Waters Equestrian Center; Saturday, October 19th, Show 1: Group 1 under Judge Darryl Hurst, Show 2: Reserve Best in Multi-Breed Show under Judge Ruth Teeter. Sunday, October 20th, Show 1: Best in Multi-Breed Show under Judge Darryl Hurst, completed her UKC Championship. Show 2: Best in Multi-Breed Show under Judge Linda Reece. Back to Back BIMBS on the same day! Sunday, Nov. 24th Ducky- took Select Female for points towards her Grand Championship title.

- From Hannah Ward: On October 13th, "Calley" Gentry Belle Frosty Callie, CGC, CD, RA, NAJ, GN (Miniature Schnauzer) finished her Graduate Novice obedience title with a 1st place at the National Capital kennel Club trial in West Friendship, MD. On November 29th at Catoctin Kennel Club, Dylan (GCH Ernhart's Like A Rolling Stone CGC) won 2 legs in Novice Rally. On December 1st at Catoctin Kennel Club, Dylan won his first Beginner Novice obedience leg with a score of 196.

- From Kay Bleinberger: On October 19th, Danielle Hamrick (Granddaughter) took BOB, Group 1, and Reserve Best in Multi-Breed Show at the Old Line State Dog Club's UKC show at the Heavenly Waters Equestrian Center with "Keeper" Ch. Goldridge The Dream Keeper (Golden Retriever).

- From Debra Warfield: "Crosby" Oak Hill White Christmas CGC, BN, CD, RA got a perfect score of 100 tree times, winning all of his RO1 classes, earned his RO1 title and was High Scoring Dog in Trial in the first three trials. When moved up to RO2 he scored a 99 and third place. Valabria Tawney the Tiger, CGC, BN, CD, RE scored a 98, 99, 97 coming in second twice and third once, earned his RO1 title and scored a 98 in RO2. Smiley Acres Handyman's Hurry RN received his RO1 title, scoring a 96, 97, 97, 98 coming in third once, and first once. All three dogs also participated in the Bel Air Health & Rehab Halloween Costume Parade and delighted the residents as a skunk, bumble bee, and Tigger the Tiger.

- From Nita Snyder: "Hero" Spirit's Summer Jubilation (Scottish Terrier) took 1st in Bred by Exhibitor at the STCA National Specialty Show hosted by the Montgomery County Kennel Club on October 6th in Bleu Bell, PA.

- From Linda List: Sarah List (daughter) rode in her first [equestrian] event on Sunday October 6th. The event was held at Olde Hope Farms in Earlville, MD. Sarah placed 8th in her class.

(Continued from page 2)

personally knows in both of these counties and I especially want to recognize the rest of this incredible team of NEMKC members who immediately volunteered to roll up their sleeves and help move this project forward. They are Dawn Rexrode, Beverly Budnick, Carol Wiley, Joyce Engle, Jeanne Ward, and Sharon Olszewski. Thank you all very much, as you definitely made a huge difference and you help was much appreciated. . As a Club we can collectively be very proud of this accomplishment.

Now, this is just the beginning. The project will actually bring us closer to our communities and our local government both of which will spawn future opportunities to even become even more involved.

No one looks forward to a disaster but being prepared will definitely make a difference. Thank you AKC Reunite for making this project possible. At the end of the day it is all about the animals. Don't you just love a worthy cause.

Mary Lou

Introducing AKC Pet Disaster Relief to your local Emergency Management is a powerful way to demonstrate your organization's concern for all pets and build meaningful grassroots relationships.

The attached series of graphs are provided for your information. They are designed to track entries, entry fees, show income, and superintending costs versus the effects of annual inflation.

Entry Graph	Tracks the number of dogs entered each year
Entry Fee Graph	Tracks the regular entry fee each year on the top line versus the effect of inflation to adjust the fees to "real" dollars. In other words, the entry fee on the bottom line is the actual dollar value of the current entry fee.
Income Graph	Tracks the total income from entry fees versus the effects of inflation.
Supt Cost Graph	Tracks the current superintending cost versus the effects of inflation.

NOTE: (The information is gathered from your annual settlement data for each year that we have superintended your show and the inflation factor used was the annual C.P.I. provided by the U.S Department of Labor, Bureau of Labor Statistics.)
