AKC Junior Showcase Events

June 10, 2018

One of the most exciting events in dog training today!

FREE Entry

**AKC Regular CGC
and Trick Dog**
Novice, Intermediate, Advanced
and Performance

Northeastern Maryland Kennel Club is offering **AKC Trick Dog testing for all levels**. The handler must supply items that are specific to their dog's training and those that can't be shared for health reasons. You must also bring treats if the dog has allergies or sensitivities and you must notify the evaluator if your treats need to be used instead of the treats supplied. Please see <http://www.akc.org/trick-dog/> for details. If it rains heavily, we may need to cancel CGC and Trick Dog.

Handlers **must** provide items **NOT** listed below:

Crate	Balance beam 6'
Low platform	Bar jump
Tunnel (weighted)	Hiding place (for dog & handler)
Weave poles (6)	Large cardboard box to "get in"
Tissue Box	Rocker Board
